Week Two: July 7-13

Training Meetings: 6/11, 6/25 & 7/2 (7-9pm)

Urban Plunge Mission Statement

Urban Plunge is a group of people committed to giving hands-on assistance to homeowners in need, regardless of creed, color, religion, or any other determinate. This includes yard work, heavy cleaning, painting, carpentry, and much more. We will be experiencing mission work in our own backyard, in and around St. Augustine, Florida.

Join us and you will be hungry, tired, dirty, and sometimes you will ache all over. You will also learn cooperation, experience community, make some incredible new friends and deepen existing relationships, and spend one week of your summer being the hands and feet of Christ. Best of all, you will be making an incredible difference in someone's life!

The cost of the trip is **\$70** and this fee includes food, housing, and transportation to and from St. Augustine.

We will live at Cathedral Parish School for the week, where we will sleep, eat, pray, and play.

REGISTRATION begins Monday, April 1, at 6:00pm

Complete this portion and return the form below at registration
